Waiting List Validation and Patient Scheduling Services

Our dedicated team of validators and schedulers validate patient lists, ensure patients receive the necessary information in a timely manner and helpfully manage expectations. We tailor the offering to your precise requirements to give you a bespoke solution. It's a service that helps you boost productivity by freeing your own teams to work on other activities and, ultimately, focus on better health outcomes.

Our team handle outpatient and inpatient/day case appointments for specialty lists and have validated over 200,000 patients on waiting lists.
